

Consignation électrique

The image features the French phrase "Consignation électrique" in a bold, 3D, yellow-green font. The text is arranged in a curve across the frame. The background is a dark gray grid of lines that converge towards a central point at the top, creating a perspective effect. A bright white light flare emanates from the center of the text, casting a glow on the grid lines below.

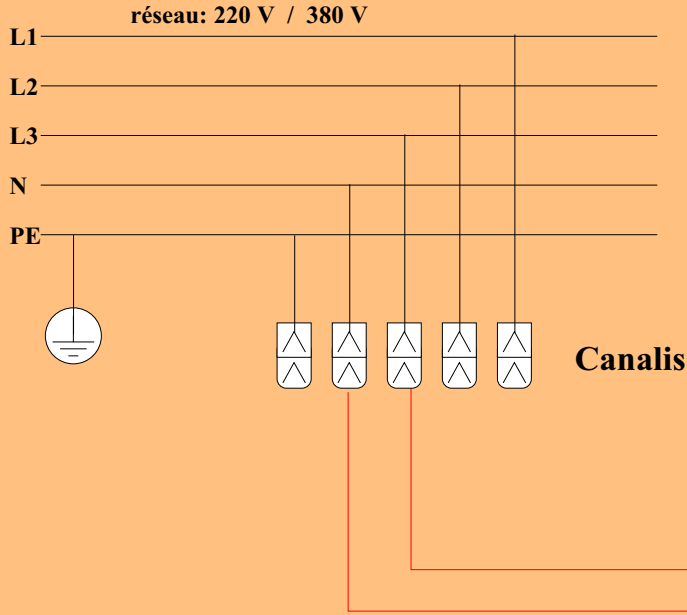

**Un Système Automatisé de Production
peut être alimenté en énergie
de plusieurs endroits**

**Mettre une barrière
autour de la zone**

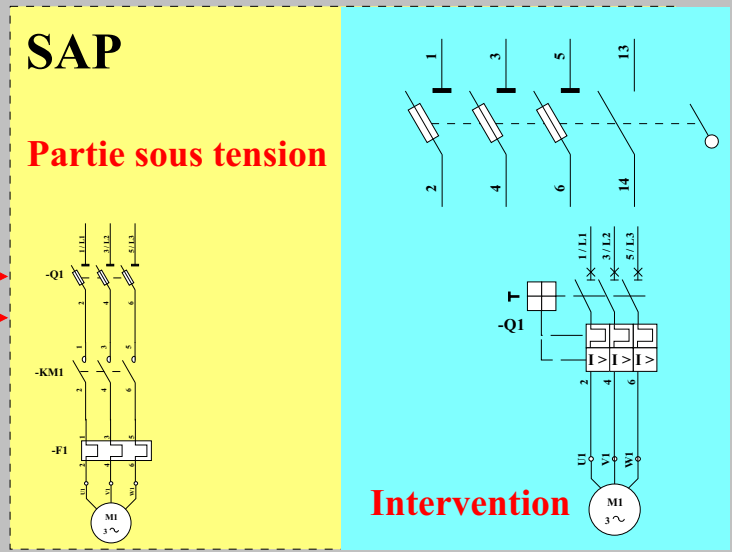

Informer: mettre des pancartes

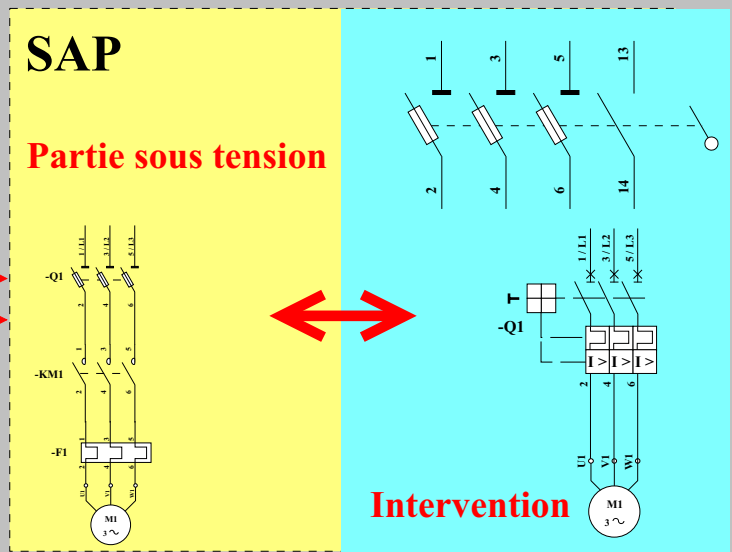

Il faut donc consigner au plus près de l'intervention

Séparation des énergies

**vérifier la séparation
la partie concernée par l'intervention
ne doit pas être sous tension**
